New Christmas Products from the Choir and Orchestra

A new CD, DVD, and book—each entitled *Christmas Day in the Morning*—have been released to the public. Based on the Choir and Orchestra’s acclaimed 2019 Christmas concerts, with special guests Kelli O’Hara and Richard Thomas, each product captures the magic and wonder of the concert performances. The CD features 15 tracks, with all the music and narration from the concert. The DVD shows the full concert in every detail and includes over 20 minutes of bonus features, including behind-the-scenes interviews and stories. The book includes the concert adaptation of the Pearl S. Buck story *Christmas Day in the Morning* and can become a personal Christmas gift, for it includes a section where the giver can write a special letter of gratitude. Visit thetabernaclechoir.org/shop/Christmas to find more details and to purchase these items.
